Once more for the kids in the back who haven't been paying attention:

- **It's reliant on literal slave labour (primarily from Kenya).** No, seriously.
<https://futurism.com/the-byte/african-workers-openai-training>
- **The people who are pushing it the hardest ARE actually right-wing.** Trump. Musk. Zuck. Bezos. People like this only push when they can make money off of it. Their goal is to fire you and make the ai do your job.
- **The data centres are destroying communities-- primarily marginalised communities.**
<https://sites.uab.edu/humanrights/2025/10/02/construction-and-consequences-the-human-impacts-of-artificial-intelligence-data-centers/>
- **And it makes horrific sounds to the people who live in the communities.**
